Honorable William J. Casey
Director, Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

The quarterly general membership meeting of the Keystone State Chapter, Association of Former Intelligence Officers, is scheduled for the month of September, 1984, in Harrisburg, Pennsylvania. The committee has asked me to invite you to speak at the dinner session. The date of the meeting is open depending upon your schedule and acceptance.

Although our chapter is small in number, the membership is active in speaking to local groups and making television appearances. We intend to invite the Harrisburg Foreign Policy Association and the Keystone Capital Chapter of the Retired Officers Association to attend the meeting. Television and other local news coverage is assured in view of the current Iraq/Iranian conflict and other Mid-East problems.

Your OSS service and subsequent contributions to the security of the United States are well known. We are all anxious to hear your views and solutions to current problems affecting the intelligence community and our defense posture. We would be honored to have you speak.

Sincerely,

Emmett E. Welch, Col. USA (R)
